REPORT.

ANOTHER year, with its busy round of duties, has gone, and the Managers of the Church Home for Children are once more called upon to make their annual statement.

In looking back over the past year they find that the chief event in the history of the Home has been its removal to the country. The new building at Angora was dedicated on Thursday afternoon, May 15th, the services being conducted by Rt. Rev. Bishop Stevens, Rev. Dr. Hoffman, and Rev. Messrs. Jaggar and William H. Neilson, Jr. Appropriate addresses were made by the Bishop and Mr. Neilson, and the large concourse of people present joined heartily in the prayers and praises. Indeed the Managers drew fresh courage and inspiration for their work from the numbers who flocked to Angora on that beautiful May day, judging that there must have been many there whose heart-strings and purse-strings will be unloosed in behalf of the poor and destitute children. It cannot be that the enthusiasm of that day is soon to pass away, leaving no lasting record behind it. Rather must it be the earnest of a growing zeal for this branch of our Church's work, which will never cease until the need for that work no longer exists.

The Managers wish to bring before the Contributors one very important fact,—the want of a Church in the immediate neighbourhood of the Home. There is none near enough for the younger children to attend regularly, and the room now fitted up as a chapel is really part of the school-room, and will soon be needed for this purpose. A stone chapel could be built at moderate cost, and thus might be formed the nucleus of what would no doubt eventually become a self-supporting Parish. The Managers commend this to your ever ready sympathy, and ask of you the means to carry out their plans.

The Annual Examination by the State Board of Examiners took place in June, proving in every way satisfactory. The

children were found to have made marked progress in their studies during the year, and were highly commended by the Board. The school is at present comprised in three divisions, the two lower being under the charge of Assistant Teachers who were educated in the Home.

The Managers offer their sincere thanks to all the officers connected with the Home for the cheerful and efficient discharge of their duties, and to the many friends who so generously contributed to its wants during the past year. They record with special gratitude the gift of 3 ground rent deeds, representing \$221 per annum, from Mr. I. V. Williamson; 25 tons of coal from Mr. J. H. Swoyer; 23 tons from Mr. G. B. Markle; 11 tons from Messrs. Sharpe, Weiss & Co.; 11 tons from Messrs. A. Pardee & Co.; free transportation of coal from the officers of the Lehigh Valley and North Pennsylvania Railroad Companies; two large clocks from Mr. George W. Childs; entrance porch and pictures from Mr. William P. Pepper, besides various other useful gifts from different persons, mention of which will be found at the close of the Report.

During the year 100 children have received the benefits of the Church Home. Of these, 16 have either been returned to their friends, or suitable occupation found for them at trades or in private families. One most attractive little girl, Stella Doolittle, died. For some time before her death she was under the skilful treatment of the physicians at the Children's Hospital, but her disease made rapid progress, and proved fatal on June 21st, soon after her return to the Home. She was buried at Fernwood, the company having generously given four lots in the cemetery to the Church Home.

The Managers begin the new year with 83 children under their charge, which number is steadily increasing. This is a large family to provide for, and to train into useful men and women, a result they feel confident can only be attained through careful *Christian* culture.

They again appeal to you in the name of the "Holy Child Jesus" to forward this, which is His, work, and they know that they cannot appeal in vain.

ARTICLE XIV. OF THE BY-LAWS.—The gift or bequest of twenty-five hundred dollars (\$2500), shall constitute a Memorial Foundation which shall be called after the name of the donor, or as he or she may designate. The income of the endowment so made shall be appropriated to the perpetual maintenance and education of a child in the Home, the person or corporation so contributing being entitled to the privilege of nominating the child for admission into the Home, in conformity with the rules of the Institution.

ARTICLE XV.—The annual contribution of one hundred and fifty dollars (\$150), shall entitle the person or corporation so contributing to the privilege of nominating a child for admission into the Home, in conformity with the rules of the Institution, provided, that such payment shall be continued until the child shall leave the Home or be otherwise provided for.
